## Methods of Parental Notification Policy

At Madrasatu Ahlis Sunnah, we place great importance on maintaining open and consistent communication with both parents and staff. Clear communication ensures that families are well-informed, engaged, and connected to the school community.

To support this, we utilize a variety of methods to share important updates, reminders, and announcements:

- Gradelink calls and emails
- Google Classroom
- Gradelink announcements
- Telephone calls
- Text messaging
- Email correspondence
- Postal service mailings
- Written notices placed in student book bags
- Board meetings
- PTSU meetings
- School website: [thesunnah.org/school](http://thesunnah.org/school)

Through these channels, we strive to ensure that every parent and staff member has access to timely and reliable information.
